CAR CRASHED INTO CROWD — Race car driven by Gordon Seegert, Greenfield, Wis. crashed through guard rail and cyclone fence, striking people in the staging area of the Kenosha County Speedway. The accident happened at 10 p.m., on Wednesday, August 12. Nine people were taken to area hospitals for treatment. — Photo by Gloria Davis.

Antioch cops nab four for burglary

Antioch police last weekend arrested four individuals believed responsible for burglarizing local businesses.

On Friday, August 14, police arrested James Bennett, 21, of 426 Edgewood, Antioch, and an Antioch juvenile, in connection

with the burglary November, 1980, of Thompson's Restaurant.

In that burglary, about \$60 in odd bills and 20 to 30 steaks were taken. According to police, Bennett had been employed at the

One dead, 3 hurt as 2 boats crash

A 24-year-old Carpentersville man died and three of his companions were injured, when they were thrown from their boat into the waters of Grass Lake, after another boat crashed into their craft.

The body of Gerry Gartzke, 24, was recovered from the water by the Lake County Underwater Rescue squad after an hour's search.

According to Lake County Deputy Coroner Ed Van Diem, whether Gartzke, who suffered a severe head injury, died during the impact or from drowning is still undetermined.

According to police, a boat driven by Nick Colomis, Barrington, was heading south, north of the Grass Lake Bridge, when another boat driven by Jordan Levy, 37, Skokie, crashed into the side of Colomis'

boat, riding over the top of it and throwing Colomis and his three passengers into the water.

The accident took place at 9:30 p.m., on Thursday, August 13.

Gartzke was one of those passengers. Also injured were Sabrina Gartzke, Carpentersville, and Dedra Owens, 17, Bartlett.

The Antioch Rescue Squad took Colomis and Sabrina Gartzke to Victory Memorial Hospital, Waukegan, and Owens to St. Therese Hospital, Waukegan.

There were four passengers in the Levy boat: Charles Palm, 16, Paul Palm, 39, Patricia Palm, 41, all of Arlington Heights; and Robert Bruno, 47, Omaha, Neb.

A representative of the Lake County Sheriff's office said that the incident is still under investigation.

Nine injured as stock car crashes over guard rail

by GLORIA DAVIS

Eight spectators and one driver were injured when a stock car jumped a metal guardrail and ripped through a cyclone fence into the pit area, at approximately 11 p.m. on Wednesday, August 12, at the Kenosha County Speedway, during the stock car races in progress at the Kenosha County Fair.

According to Kenosha County Sheriff's Deputy Eugene Kopp, a car driven by Gordon Seegert Jr., 26, Greenfield, Wis., was traveling at an estimated speed of 75 miles per hour, passing the other cars and as it approached the northwest curve of the track the race car's throttle stuck.

The automobile leaped over the metal guardrail, ripping a section of it out and went through a cyclone fence, whipping the fence into the crowd.

Striking some people in the area, the car then hit a parked stock car, and careened into a trailer and a truck.

The fair police and the Kenosha Boy Scout Rescue Squad were at the scene and within minutes, rescue squads from Silver Lake, Salem and Twin Lakes, as well as squads of Kenosha County Sheriff deputies, converged on the race track.

Chuck Ostergaard, Antioch, was strapped into his race car, parked on the outer side of the cyclone fencing, ready for the semi-feature race that was coming up. His wife, Pat, was standing at the driver's side of the car talking to him.

"I was in the middle of a sentence and the next thing I knew I was on the ground. They tell me that Gordie's car hit Chuck's car in the rear and the nose grazed me, throwing me the length of Chuck's car," she said.

She went on to say that she felt that the only reason her husband escaped injury was the fact that he had been strapped in.

Still in fair condition at Kenosha Memorial Hospital (KMH) is David Johns, 15, Gurnee, who sustained a concussion, abrasions, a frac-

tured left leg and was unconscious at the scene.

The driver, Seegert, was taken to Burlington Memorial Hospital where he was treated for strained and bruised neck and back muscles and released.

Pat Ostergaard was taken to Kenosha (Continued on Page 3)

Good news in The News

Assessment Changes

Changes in the Antioch Township real estate assessments, as certified for 1981 by the Lake County Supervisor of Assessments, will be published in the Monday, August 24, issue of the Antioch News.

The changes cover both land and improvements. Copies of the assessment changes can be obtained at the News office, 952 Main St. or at newsstands throughout the community.

Old-Fashioned Fourth

At the August 3 meeting of the Antioch Village Board, Trustee Claudette Skvarce made a motion, that was approved by the board, to make the Old-Fashioned Fourth of July Celebration, held this year, into an annual event that will include a parade, a picnic and fireworks.

Skvarce thanked all who participated in making it the success that it was.

Western Roundout

The Chamber's Western Roundout will take place from 6 to 11 p.m., on Thursday, August 20.

Don't forget the Best Dressed Cowpoke Contest.

There will be three categories with three savings accounts at the three local financial institutions given as prizes.

Judges for the contest will be Joanne Mangano, manager of Walk Softly, Antioch's new western store; Ida Wells, local country western singer, and Bob Wilton, local western enthusiast.

All participating stores will be open until 11 p.m. with their sale racks bulging.

Plan swim spectacular on August 18

The many acquired talents of the Antioch Swim Team will be on display at 7 p.m., Tuesday, August 18, during the traditional Family Swim Night at the Williams Park Pool.

Members of the swim team will demonstrate water ballet, diving and racing skills during the evening, billed as good entertainment for the entire family.

LIONS SAY THANKS — From left, Antioch Lion President Jim Knigge presenting certificate of appreciation to Glenda Tomaschik of Antioch Parks and Recreation as Lion's Chicken Bar-B-Q co-chairman. Chuck Cermak, right, looks on — Cermak reported at Lion's meeting the Chicken Bar-B-Q was a success in spite of rain, thanks to the help of so many people like Glenda who gave of their personal time and many citizens that came in spite of the rain to enjoy the festivity.

restaurant for about three days at the time of the burglary.

According to Antioch Police Lt. Tom Fisher, Bennett is already on probation for several purse-snatching incidents in Antioch about two years ago.

Both Bennett and the juvenile have been charged with burglary. Bennett is in the Lake County Jail with bond set at \$5,000 and a juvenile petition will be filed on the other suspect.

Police investigators also have made two arrests in connection with the August 3 and 4

burglary of Baskin-Robbins Ice Cream store in Antioch. Two suspects were arrested Saturday. They are Gregory Georgenson, 18, of Antioch, and an Antioch juvenile. Both were charged with burglary.

According to police, entry to Baskin-Robbins was made by first entering Winchell's Donut Shop and kicking in the wall between the bathroom and Baskin-Robbins. Several hundred dollars were taken in the robbery along with some keys and a calculator, which were recovered. Both investigations were conducted by Lt. Fisher and Officer Robert Lange.

County Cancer Crusade reaches \$326,000 goal

The Lake County Unit of the American Cancer Society has met its 1981 Crusade Goal of \$326,000.

This achievement was announced by Vincent J. Vane, Lincolnshire, newly elected Lake County Board chairman. It was achieved under the leadership of the income development committee, chaired by David H. Wagner, with the cooperation of over 5,300 volunteers who participated in the April Residential Crusade and special events held throughout the year.

"Our financial success this year is an important recognition of the solid progress made against cancer in the past few decades and supports our belief that cancer can be contained as we learn to help ourselves and others more effectively," said Vane.

Having met the 11 percent goal increase of last year we now estimate a need of at least \$25,000 additional dollars for our 1981-82 fiscal year beginning Sept. 1.

The challenge cancer presents to our volunteers is very real, he continued. Statistics persist. One of four living Americans will get cancer. Last year the number of patients receiving American Cancer Society services provided through our office without charge increased by 197 to a total of 1,538.

This figure reflects the unique aspect of the April residential education and fund-raising drive wherein volunteers make a strong effort to inform their neighbors of service and rehabilitation programs available to them on request in addition to giving current

information on cancer prevention and early detection.

Mrs. Herbert Gould, Lincolnshire, has for the past two years been chairman of the residential crusade which accounts for approximately one-third of the over-all goal.

"Since the American Cancer Society is committed to marshalling our total efforts in research, education, service and rehabilitation to reach an immediate goal of saving one out of every two who are stricken by cancer, we can see clearly how much still must be done," Vane concluded.

Vane, assistant vice president, Allstate Insurance Co., noted the American Cancer Society is not a member of United Way, but is a member of National Health Agencies.

Moose members Firemen speak to women

The Women of the Moose held their regular Chapter night program on Thursday, August 6, with Chairman Helen Burnette and the membership committee serving as hostess for the evening.

The membership committee had as their program, two members of the Antioch Volunteer Fire Dept. present

a series of slides depicting the new fire station complex and the way the Antioch volunteers protect the lives and property of our community.

Following the presentation, Asst. Chief Jimmie Quedenfeld and Wayne Parthun answered questions from the co-workers.

After the program, three candidates were enrolled in

Helen's honor. They were, Carol Jurgensen, Kathleen McKee, and Ann Hume.

Co-workers Barbara Gesiakowski, and Maybell Kopta received their chapter pins for attending three consecutive meetings.

Senior Regent Terry Smallwood adjourned the meeting, refreshments were served to the 41 co-workers in attendance.

Lions thrilled by local support

Members of the Antioch Lions Club are extremely happy with the support that Antioch residents demonstrated during the bar-b-que and auction, according to Chuck Cermak of the Lions Bar-B-Que committee.

"The people of the Antioch area are to be commended once again for their participation at the annual Lions Club Chicken Bar-B-Que and Auction," said Cermak.

"Being this was the weekend for rain never in-

terfered with their hopes of making the bar-b-que another success," said Cermak.

"Seeing the public stand in line during the driving rain for better than a half hour, to get their rain-soaked dinner, and remaining for the auction, was a true tribute to their community support," he added.

The bar-b-que committee and entire club wish to publically thank them for their continued support, he added.

Nine injured

Memorial Hospital with leg, neck and shoulder injuries where she received emergency treatment and was released.

Also taken to KMH, treated and released, were Elmer Everman, 47, Gurnee, fractured left ankle; James Patzke, 48, McHenry, unconscious with head lacerations; Charles Trinchetta, 22, Fox Lake, abrasions and contusions of left thigh; Lauren Trinchetta, Fox Lake, bruised left leg.

Taken to St. Therese Area Trauma Satellite (STATS), Lake Villa, were James Slosser, 18, Round Lake, compound fracture of right leg; Joseph Glaff, 23, Round Lake, compound fracture of right leg.

Many of the injured said that they saw what was happening but were unable to get out of the way.

People standing in the pit area are usually required to have a special pass to be covered by the track's insurance.

Antioch's Mayor Ray Toft, who is the owner of the Kenosha County Speedway, as well as a partner in the Lake Geneva

Raceway, says, "I've been there 28 years and nobody's gone through the fence before."

When asked about future plans of either strengthening the cyclone fence or putting in a wall of sorts at that curve, Toft said, "Would you like to be a driver and hit a cement wall? As far as strengthening the cyclone fencing, I don't think that anything would have stopped him from going through that fence at the speed he was going."

Toft said that the area where the injured people were standing was the staging area, the place where cars line up for the next race.

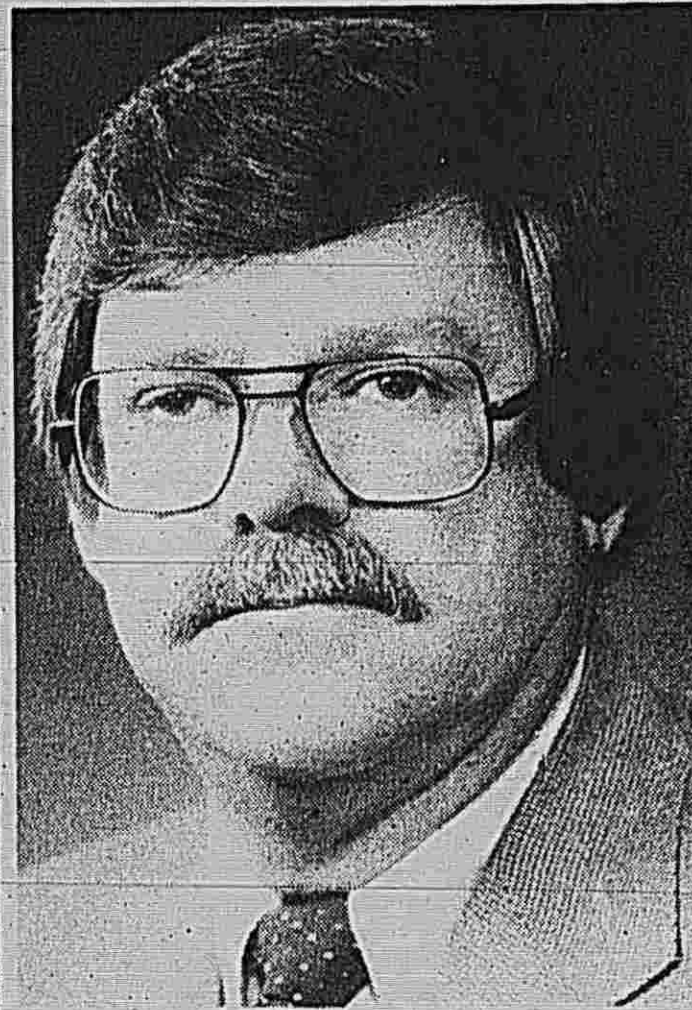

He mentioned the possibility of not allowing people in that area in the future.

Presently a pit pass allows access to the area and also covers the pass holder with no-fault insurance carried by Toft.

Meanwhile back at the racetrack, the guard rail has been repaired and the scheduled Saturday and Sunday races went on.

Jaycees plan shooting program to start Sept. 8

The Antioch Jaycees will again conduct the National Jaycee Shooting Education Program beginning Sept. 8.

The program, open to boys and girls between the ages of eight and 14, is co-sponsored by the U.S. Jaycees and Daisy.

Features of this community program are: proper gun handling; firearm safety; shooting teams and competition; and education for a lifetime recreation sport.

Craig Dayton, chairman of the project, announced that the educational program will be held at the Antioch Lower Grade School, Main and Depot Sts., each Tuesday evening beginning at 6:30 p.m. and concluding at 7:30 p.m.

The program will run for eight lessons and parents are encouraged to attend and watch

their children learn.

Jay Bruski, program instructor, said "There will be no charge to participants. We are running this as a community service project. We will be using Daisy air rifles for training the young shooters. Specially designed rifles have been made to fit the younger shooters," he said.

At the conclusion of this program, the Antioch Jaycees will select a shooting team from this class to compete in the Illinois State Shooting Education Competition Match beginning in April.

For more information about this program call Jay Bruski at (312) 395-5047, or Craig Dayton at (312) 546-4887.

ASL acquires 2 officers

Antioch Savings has announced the hiring of William Russell and Mary Anne Kaht.

Russell, formally of Libertyville National Bank, comes to Antioch Savings with 22 years of banking experience.

The new vice president will manage the associations loan department, including all mortgage and installment loans. A graduate of Indiana State University, Russell has also completed several courses from the American Institute of Banking.

During non-working hours, he enjoys golf, tennis and fishing.

Currently a resident of Buffalo Grove with his wife Janice and seven children, Russell plans on moving to Antioch in the near

future.

Mary Anne Kaht, comes to Antioch Savings from the State Bank of Antioch where she held the position of loan officer.

With an extensive background in mortgage lending, Kaht will serve as a mortgage loan officer. She is currently attending the Graduate School of Banking, where she is studying all areas of lending.

Married and a resident of Antioch, Mary Anne enjoys golf and racquetball during leisure hours.

Mary Anne is also a member of the National Association of Bank Women, Northern Illinois Conservation Club, and the Nature Society.

Tax exempt certificates are law says Antioch Savings

Antioch Savings and Loan has announced that the "All Savers Certificate" has been signed into law, and could be available as early as October 1, 1981.

This tax exempt certificate comes as a result of the Savings and Loan Industries' efforts to ease the tax burden on personal savings.

With the first \$1,000 (\$2,000 joint return) of interest, free from Federal Income Taxes, the "All Savers Plan" should prove to be very popular.

The certificate calls for a one year maturity with a

rate pegged at 70 percent of the average yield on 52 week treasury bills.

With a minimum investment \$500, it is now possible for the small and large investor alike to achieve an after tax yield comparable to today's money market rates.

Additional good news for savers comes from changes in the Individual Retirement Account (I.R.A.) regulations.

Contributions to these tax deferred accounts has been increased to \$2,000 (\$2,250

spousal I.R.A.).

Further, it will now be possible (for the first time) that employees currently participating in a qualified retirement plan, will be able to make a \$2,000 tax deductible contribution to an I.R.A.

James McDermott, senior vice president, explained that the "All Savers Act" is the first step towards reducing the tax burden on personal savings.

Additionally, it is expected that further tax incentive type accounts will become available in the future.

Navy League to honor local Coast Guard units

Everyone who uses a boat on Lake Michigan or the area waterways is invited to attend a Luau given in honor of the Coast Guard.

"The Coast Guard hand you shake at the party could be the same one that pulls you out should you get into trouble on the lake," said Jacob Way, president of the

Lake County Council.

"These people are on duty 24 hours a day, answer distress calls, and make boating on area waters safer and more enjoyable for us all."

"There will be a whole roast pig, leis, Hawaiian entertainers, and fun for all," continued Way. "So do come

and help us give them a WELL DONE."

The date is August 21, the time is 6:30 p.m., the place is the officers club, Great Lakes Naval Training Center.

Tickets are \$15 per person and reservations can be made by calling Way at (312) 234-4232.

Keep cooling costs down

The most important appliance in your home this summer may be your air conditioner. Here are some tips from the makers of Bryant, Day & Night and Payne air conditioners which will help your air conditioner work more efficiently and keep you cool longer.

—Don't fiddle with the thermostat. Set the temperature to a comfortable level and forget it. Excessive "on and off" can damage the components of the unit. Besides, energy will be wasted as the air conditioner tries to keep up with your changing cooling demand.

—If your clothes dryer vent is close to the air conditioner or heat pump, consider other ways of venting the dryer. Hot vapor from the dryer places an extra load on the air conditioner. Lint from the vent can cause damage.

—Run appliances such as a clothes dryer and do as much cooking as possible in the early morning hours. This is better than at night

because in the evening on a hot day, the air conditioner is still working to bring down the temperature from the daytime heat.

—Insulate duct work.

—Caulk storm windows as well as main windows and doors.

The Time Machine

50 YEARS AGO: AUGUST 20, 1931

Peter Toft, Antioch farmer, and two children are suffering from shock and injuries received late Tuesday when the Ford car in which they were riding was struck by a Packard driven by Mr. Ward.

Antioch and the Chain O' Lakes district will do honor to a distinguished citizen, the Honorable Anton J. Cermak, Chicago's World's Fair mayor, when this town will be host to thousands of the mayor's friends throughout this locality.

Charles W. Clingman, Channel Lake resident, was honored this week, when he received a birthday greeting from his old friend, President Hoover, with whom he became acquainted a number of years ago.

Andrew Dalgard today took charge of the Royal Blue Grocery and Supply store at 920 Main St., having purchased the business from I.E. Salsted. Dalgard is well known in Antioch. Thirteen years ago he began clerking in the general store of William Hillebrand.

Dr. H.F. Beebe purchased a new Plymouth car this week.

The fate of the Fox River as a navigable stream now lies in the hands of the federal congress according to recent press dispatches from Washington. If Congress does not term the stream navigable it will abandon the Fox River as a navigable waterway.

30 YEARS AGO: AUGUST 23, 1951

Antioch's first police car is now in use. The car, a Nash Ambassador, was received by Chief Walter I. Scott and his staff Saturday. It can also be used as an ambulance if necessary.

At the cackle of dawn, Tuesday, the great Pullet Derby at the Antioch Milling Co., came to an end when Hen No. 5 laid the first egg and was declared the winner of the race. William Richards was first prize winner, Frank Dibble was second and Lillian Loescher came in third.

Mrs. Richard Whitacre, who has been very ill with pneumonia, is improved. As the result of complications she will be confined to her home, and will not be able to take up her duties as teacher at the Antioch Grade school. Mr. and Mrs. Henry Meyers, Antioch, were listenin' in on the party line when Jim Ameche and Ratia Ascot phoned to ask their opinion on "Should Children be Paid for the Work they do around the Farm." The call was part of the popular radio show, "Party Line" broadcast over WLS each Saturday, under the auspices of the Antioch Milling Company.

10 YEARS AGO: AUGUST 18, 1971

Many residents of Antioch were saddened by the death of Dr. A.N. Berke who passed away last Friday following a four year illness. Dr. Berke had served the Antioch Community for over 30 years, having begun his practice here in 1939.

Last Sunday, under the direction of Ralph Brooke, nearly 100 students and instructors jumped onto an auto caravan and began the trek to Lake Bloomington for the 12th annual Summer Music Camp sponsored by the Fine Arts Dept. of Antioch High School.

Mrs. Gene Veconi, creator of apple dolls, will present the program at the Antioch Garden Club meeting on August 23.

Along the way with ANNIE MAE

Rumor has it that Andy Bernhardt, Mike Gantar and Mark McKinney will all be in the dunk tank at the Chamber's Western Roundout, Thursday night.

Speaking of the Western Roundout, old Annie Mae is almost certain to win the adult category of the Best Dressed Cowpoke Contest.

That is, if the prize is for the most unusual body, especially from a rear view, seen in designer jeans.

Looks like the new babies were coming fast and furiously during the last two weeks!

Congrats to Jeff and Cathy Gutowski on the August 12 arrival of their new eight pound, three-and-one-half-ounce baby girl named Kristen Marie.

This makes Louise Gutowski a grandmother twice in three months.

All that celebrating going on at the Antioch Parks and Recreation Dept. means that one of the park's favorites, Dee Lang, had a eight pound, five ounce, baby boy named Drew Douglas.

More congrats are in order to the Antiochans who will receive one year college scholarships from the Clara Abbot Foundation.

A big handshake goes to Carol Duha, who is attending Illinois Institute of Technology, Chicago; Mathew Glover, who is attending EIU, Charleston; Wendy Weldin, who is attending the Evangelical School of Nursing, Oak Lawn.

What's happening with Antioch's servicemen? Airman Mitchell G. Case, son of Mr. and Mrs. Robert Case, has been assigned to Sheppard Air Force Base, Texas, after completing Air Force basic training.

Library plans story hour

The Antioch Township they are starting Library's summer reading preparation for the pre-school story hour.

It will start Sept. 3 at 12:30 p.m. and goes to 1 p.m.

So mark it on your calendar. This is for the three-four year olds and up to kindergarten. You may register your children for the story hour at any time.

Tuesday, August 18 is the day the three to 12 year olds in the Village Park Program come to the library. Usually they pick out books for the leaders to check out, though some days they come for movies and then come back another day for books.

Here are a few of the new books the library has added to their collection:

Non-Fiction

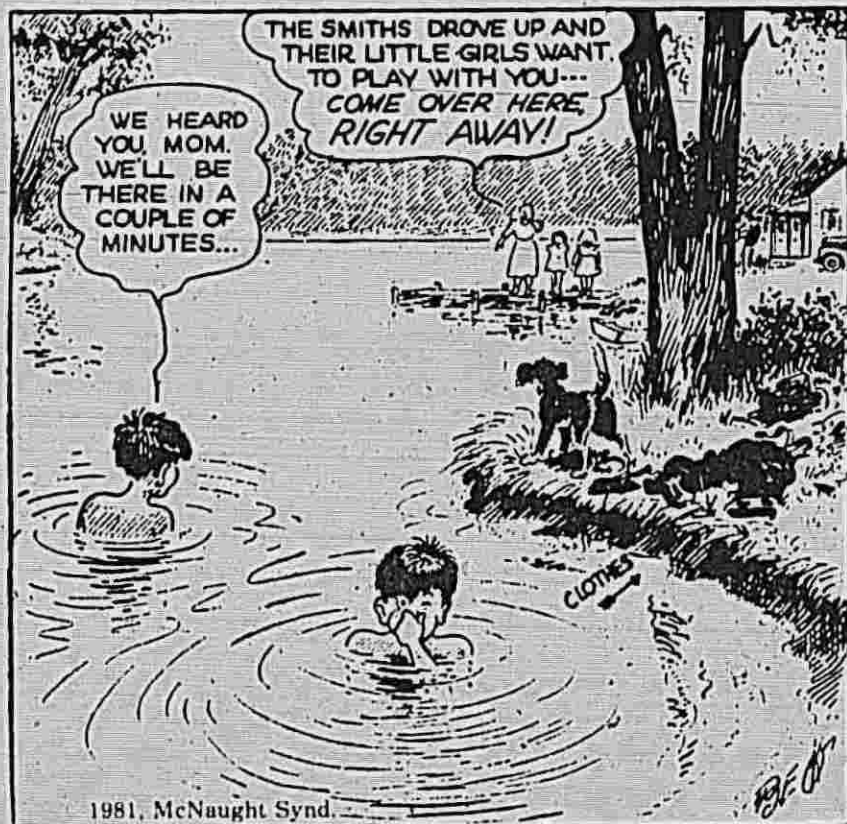

Complete Beginners Guide to Stereo by R.B. Lytle; The Wild Wonderful World of Parachutes & Parachuting by Bud Sellick; Leaving Home by R.A. Kramer. (Guide to the pitfalls and pleasures to be encountered

ACHS POM PON AWARDS — Captains of the Antioch High School Pom Pon Squad receiving the 3rd place Class A award at the "Allstate Open Pom Pon Competition" from John Nelson, Public Affairs Manager of the Allstate Milwaukee Region, and Debra Casucci, "Alice in Dairyland."

SHOW THEIR STUFF — Members of the Antioch Community High School Pom Pon Squad, perform at the Allstate Open Pom Pon competition at Wisconsin State Fair.

Pom Pon Squad places third in tourney

The Antioch Community High School Pom Pon squad placed third in Class A at the "Allstate Open Pom Pon Competition" on Sunday, August 9 at the Wisconsin State Fair Park in Milwaukee.

They received \$100 and a trophy from Allstate officers for their fine performance.

In addition, all girls received a patch to wear on their uniforms, compliments of the Allstate Insurance Company, for participating in the competition.

This annual event was won by Homestead High School, Mequon in Class A (school enrollment over 1,000) and the top Class B school was Menomonee Falls North High School.

A total of 50 squads danced, kicked, and shook their pom pons in three-minute routines to foot-stomping and hand-clapping music.

The Antioch Community High School Pom Pon Squad performed to the song, "Devil With the Blue Dress On."

They were dressed as red devils, complete with horns and pitch forks. An enthusiastic crowd filled the State fair Park Coliseum throughout the day to cheer for these talented squads.

It was difficult for the judges to choose a winner, as the girls moved in exact precision with endless enthusiasm and smiles.

That precision comes from months of hard work, as any pom pon girls will attest to.

Antioch Community Pom

squad practices three to four times a week during the summer and every weekday during school.

According to the girls, receiving recognition by performing in contests like this make the grueling days of aching muscles seem worthwhile. The cheers from the audience was really appreciated.

Everyone who competed had a great experience at the Wisconsin State Fair. As one girl said, "I get to meet girls from all over and I just love it."

Squad members get to know one another from competitions, and this is a great time to renew old friendships as well as start new ones.

Although the money they won in the "Allstate Open

Pom Pon Competition" helps cover expenses for uniforms, travel, and music, additional money must be raised.

Antioch Community Pom Pon squad holds car washes and bake sales as fund raisers.

The Antioch Community High School Pom Pon Squad performs to taped music at all home basketball and football games.

They have been going to Badgerette summer camps for the past eight years, and they participate in Badgerette Competitions and those sponsored by the Illinois Drill Team Association.

Mrs. Susan Groth is the coach and the squad leaders are Dawn Walker, Heidi Hoehne, and Tina Podlin.

World's Largest Big Top Coming

The biggest of the world's big tops come to Rollins and Sayton Rd., Fox Lake, for one day only, performances at 2 and 8 p.m. on Wednesday, Aug. 26, sponsored by the Chamber of Commerce.

The great Carson & Barnes Wild Animal Circus boasts:

World's only 5-ring touring show; Only traveling zoo at no extra charge, featuring a giraffe and rhinoceros;

Eight herds of elephants — more than 27 of the ponderous beasts;

United States only vinyl big top completely waterproof — larger than a football field from goal posts to goal posts;

Two young triple-somersaulting trapeze stars;

Pretty Patricia White with her mixed groups of ferocious African lions and Royal Bengal tigers;

Almost 50 head of horses and ponies;

Trained bears, dogs, camels, llamas, mules, lions and tigers, horses and ponies, and the great herds of elephants;

Premier human performers from 17 nations.

It is a huge show — the kind that parents and grandparents will remember attending when they were youngsters. Probably never again will such a spectacle visit this area, as inflation and the high cost of

GIRLS AND ELEPHANTS spell "circus." There are plenty of both with the Carson & Barnes 5-Ring Wild Animal Circus. The big show, billed as "the world's largest tent circus," has herds of 25 elephants and they are joined by pretty girls in each of the five rings.

energy may soon spell the end for such a giant traveling enterprise.

These increased costs have made it necessary for the last big tented show to reduce the length of its overnight trips, thus affording some smaller communities an opportunity to see the same tremendous circus as plays in Denver, Milwaukee, Chicago, Akron, Cleveland, and Pittsburgh. It is uncut — precisely the same show as is seen in the bigger cities.

Tickets will be on sale at the gate as late as showtimes. Midway attractions will be open one hour before each performance.

See it now or miss it forever!

Weddings—Engagements—

**MR. AND MRS. KENNETH TELL**

The courtyard of First Plymouth Congregational Church in Lincoln, Neb., was the setting for the August 8 wedding of Jan Nuernberger and Kenneth Tell, both of Grand Island, Neb.

The bride is the daughter of Judge and Mrs. W W Nuernberger of Lincoln, Neb. The groom's parents are Mr. and Mrs. Harold Tell of Antioch.

Attending the bride as matron of honor was DeAnn Currin of Lincoln, Neb. The maid of honor was Nancy Nuernberger of Lincoln, Neb. Serving as bridesmaids were Laura Cavallo of Lincoln, Neb., and Marcia Leonard of Northglenn, Colo.

Bruce Currin of Lincoln, Neb., was the best man. Serving as groomsmen were Dave Newmyer of Wilber, Neb., Dan Huntington of Winthrop Harbor and Steve Tell of Anaheim, Calif. Ushering guests were Steve Joel of Wilber, Neb.; Gary Horky of Crete, Neb.; Charles Sheffield of Grand Island, Neb. and Gary Nickels of Grand Island, Neb.

Junior attendants were Winthrop Harbor residents, Jeremy Huntington as ringbearer and Jessica Huntington as flower girl. The pianist was Brad Hershberger and solosist was Maureen Nickels, both of Grand Island, Neb.

**NELSON—CORSO**

Mr. and Mrs. George E. Nelson of Antioch announce the engagement of their daughter, Sally Ann Nelson, to Michael A. Corso, son of Mr. and Mrs. Robert Corso of Antioch.

The couple is planning an August wedding to be held at St. Ignatius Church in Antioch.

The bride-to-be, a 1978 graduate of Antioch High School is employed as a secretary for Antioch Savings and Loan in Antioch.

The groom-elect, a 1976 graduate of Antioch High School, is an instrument mechanic for Commonwealth Edison at the Zion Nuclear Power Plant.

The couple will reside in Antioch following the completion of the home they are currently building.

**JOHNSON—LARSEN**

Mr. and Mrs. Gerald Johnson of Lake Villa announce the engagement of their daughter, Christine Johnson of Lake Villa, to Richard Larsen of Antioch, son of Mr. and Mrs. Leif Larsen of Antioch.

The couple is planning an October wedding at Prince of Peace Church in Lake Villa.

The bride-to-be, a 1979 graduate of Antioch Community High School, is employed as a technician for Baxter-Travenol in Round Lake.

The groom-elect, a 1978 graduate of Antioch Community High School, is a painter for Sorenson Chevrolet in Waukegan.

Following their marriage, the couple plans to make their new home in Lake Villa.

**MR. AND MRS. ROBERT SLOVICK**

Susan Groth of Antioch and Robert Slovick of Elmhurst were united in marriage June 27 at St. Peter's Church, Antioch in a ceremony performed by Fr. Francis Kub.

The bride is the daughter of Daniel and Kathleen Groth of Antioch. The groom's parents are Dr. Jerome and Anna Slovick of Elmhurst.

The bride's sister, Teresa Groth, served as maid of honor. Peggy Groth, the bride's sister, was in attendance as bridesmaid.

Timothy Sullivan attended the groom as best man. Scott Beckman served as groomsmen. Ushering guests were Dennis Groth, the bride's brother and Scott Beckman. Tommy Groth, the bride's brother, was the ring bearer.

Following the outdoor wedding reception at the bride's parents' home in Antioch, the newlywed couple honeymooned in Siesta Key, Fla.

The bride is a student at Loyola University with an intended graduation in 1982. The groom will graduate in 1984 from the College of Dentistry at the University of Illinois Medical Center.

The couple is making their new home in Elmhurst.

**CHARGES DROPPED**

The charges against Henry Gillman, Antioch, of contributing to the sexual delinquency of a minor, have been dropped, according to Mike Duffy, attorney at Lake County State's Attorney's office. The charges were dropped because the parents of the girl involved decided not to prosecute for a second time because of the trauma it might cause the girl.

WE WISH TO express our sincere "THANK YOU" to our friends, neighbors, and relatives, for their cards, food, phone calls and Gifts of memoriam. A special Thanks to Strang Funeral Home and Pastor Wenzel. Also the people who served the fine lunch. The love and concern shown by everyone will not be forgotten. God Bless Each of You.

Cancer society sets tag days

The Lake County Unit of the American Cancer Society will hold their annual tag day in Antioch during the Antioch Chamber of Commerce and Industry Western Roundout Days events on Thursday, August 20 beginning at 7 p.m. and during daytime hours on Friday, August 21.

Due to rising costs and extended services provided by the unit, tag day has become a vital part of the society's funding.

Members of the Antioch Womens Club and nearly 60 other concerned volunteers will be stationed at key locations in the village to accept contributions.

Only with the support of the community can the cancer society continue to function directly and efficiently in the Antioch area, keeping its services available to all in need, according to Antioch Womens Club chairman of the project, Mary Hallett.

A tree surgeon can replace decayed heartwood in a tree just as a dentist can fill a tooth.

Announce Trust speakers

Antioch Trust Company has announced speakers for the estate seminar scheduled for August 18.

The session which is open to the public will be held from 7 to 9 p.m., at the Harbor Ridge Country Club, located at the intersection of Hwy. 59 and Grass Lake Rd.

Reservations may be made by calling (312) 395-8500.

The program entitled "Estate Tax Changes and Investment Alternatives," will feature Mary Ann Hartwick, a Libertyville attorney and an expert in the field of estate planning and probate.

Paul T. Pavelski, president of the Antioch Trust Company, will discuss the recently approved estate tax law changes. These changes greatly enhance the deductions available to estates.

Produce should be harvested while fresh, before too large

Even though Lake County has experienced large amounts of rain recently, many gardens are dry and could benefit from more moisture, warns Bob Schmebach, Lake County Extension adviser.

There are several things you can do to aid your plants and still not create a high water bill.

Use mulches, mulches conserve moisture in the soil by reducing the rate of evaporation. They also reduce weeds, which com-

pete with the vegetable plants for moisture and nutrients.

Use a three or four inch layer of grass clippings, straw, compost or decayed leaves. You also may use a layer of newspapers.

Plant a fall garden.

There's usually more moisture available in the fall. In addition, fall is an ideal time to grow cool season crops such as cabbage, broccoli, kale, collards, Chinese cabbage, mustard, spinach and Swiss chard.

Harvest young and don't let produce overripen. Harvest it when it is at the right stage. Picking reduces moisture requirements and encourages continued production.

Remove weeds because weeds compete for every drop of water. Cultivate shallowly, in the upper three inches of soil to avoid damaging plant roots and bringing weed seeds to the surface.

If you water, do it thoroughly and infrequently.

Field growing for annual Antioch Open Golf Tourney

Entries are beginning to filter in for the annual Antioch Open Golf Tournament planned for Saturday and Sunday, Sept. 19-20.

The 36-hole event, sponsored by Lakeland Newspapers and Harbor Ridge Country Club, will be held at the beautiful Harbor Ridge course located at the intersections of Rte. 59 and Grass Lake Rd. in Antioch.

Al Zuehlsdorf, Harbor Ridge golf pro, and Nick Tiester are serving as co-chairman of the annual event.

The tournament is open to both male and female golfers, with separate

divisions being set up for each.

In a time of inflation when the prices are going up, the tournament entry fees have been kept low as they

remained what they were last year, \$25 for women and \$35 for men.

The fee includes green fees, prizes and food/drink tickets.

Registration forms are available at the Harbor Ridge pro shop.

For further information, or to enter, contact Al Zuehlsdorf at (312) 395-3004.

SEWING COURSE

The University of Illinois Cooperative Extension Service has planned a program on Sewing Techniques for Thursday, September 10, from 9:30 a.m. until 3:30 p.m., at the Extension Auditorium, located ¼ mile north of Rt. 120 on Rt. 45 in Grayslake.

APPOINTMENTS

Governor James R. Thompson announced the appointment of Rose Mary Bombela as Assistant Director of the Department of Personnel.

Ms. Bombela's salary will be \$37,000 a year and her appointment requires Senate confirmation.

Emmons set to register

Emmons Grade School will have registration of all students for the 1981-82 school year on August 18, 19 and 20 from 9 a.m. until 3 p.m.

All students should be registered at this time. Book fees of \$16 will be charged and milk costs for the year will be \$11 per student.

Students entering kindergarten, first or fifth grade must have medical examinations on file at school prior to the beginning of school.

First day of school will be August 25, a full day of school.

Kindergarten students must present birth certificates at the time of registration. They must be five years of age before Dec. 1, 1981.

Antioch Bowl to set fall bowling leagues

The 1981-82 Youth Bowling Program at Antioch Bowling Lanes will start on Saturday, Sept. 12.

Pre-registration is required for anyone wanting

to bowl. Registration dates are: Friday, August 28, from 6-9 p.m.; Saturday, August 29 from 10 a.m.-1 p.m.; and on Sunday, August 30 from 11

a.m.-2 p.m.

If this is not convenient, please contact Lois Hartman at (414) 889-4165 and set up a time with her.

Bowlers wanting to bowl on a certain team or with certain friends should indicate this at the time they sign up. This will avoid any disappointments later on as the teams will be made up before the first day of bowling.

There are three age groups in which the teams are made up: majors are ages 16-18; juniors, 13-15; and preps, eight-12.

The majors and juniors bowl at 9 a.m., with the preps bowling at noon.

Trophies are awarded in many categories at a youth bowling banquet which is held at the close of the season.

During the season a

bowler has a chance to earn patch awards and trophies from the Illinois State Bowling Association.

There are also a number of tournaments to enter during the season.

An after school teenage league will be started this year if enough interest is shown. This league would bowl on Wednesdays after school; starting time between 3:30-4 p.m.

There is a great need of coaches and scorekeepers to help out each week. If you can help out in any way, please contact Lois Hartman.

There will be a need for sponsors for the teams in the youth program.

This amounts to the cost of five bowling shirts; anyone interested please contact Mable Weber at Antioch Bowl.

Approve Sodman rezoning

On Wednesday, August 5, the Antioch Zoning Board held a public hearing on the request of Al Sodman to have property on North Ave. rezoned from residential to commercial.

No one objected to the Sodman's request at the hearing so the zoning board recommended to the Antioch Village Board that the rezoning take place.

The board is expected to act on the recommendation in the near future by instructing the village attorney to draw up the necessary papers.

Screening offered

Free blood pressure screening will be offered to the public on Thursday, August 20, at St. Therese Area Trauma Satellite (STATS), located on Rte. 59, just south of Grand Avenue, Lake Villa. No registration is required just stop by between 11 a.m. until 4 p.m.

The Heart Association of Lake County, Nursing Service and the Education Departments of St. Therese Hospital combine efforts to provide this free community service.

Team 6 on top

Members of Team 6, Irene Terese, Irene Hahn, Fran LaPlant and Jean Sherman scored five and a half points to narrowly move into first place in the State Bank of Antioch Women's Golf League, with a season's total of 37½ points.

Team 9, whose members are Eileen Zannini, Lorraine Hitchon, Ann St. Pierre, and Lorraine Santi, is in second place with 36½ points and close behind in third place, with 36 points, is Team 10: Trudy Anderson, Dorothy Teiski, Jean Karas and Ginny Troeger.

Special event of the day was for low gross minus puts and was won by Louise Santoro and Joan Casey, A Flight; Lorraine Hitchon, B Flight; Jinx Baney, C Flight; and Lorraine Santi, D Flight.

RE-ELECTED

Robert Glover, 20, Windsor Dr., Antioch has been re-elected student body president of Eastern Illinois University, Charleston.

TRUSTEE REPORT

Antioch Village Trustee Ron Cunningham reported there were 39 auto accidents, 24 thefts, one burglary, one auto burglary and 17 acts of vandalism reported in Antioch in June.

Deny appeal in Caraher murder

The Second District Appellate Court, Elgin, has denied an appeal by convicted murderer William A. Frank, 20, of Ingleside.

Frank was convicted in February, 1980 of the murder and kidnapping of 22-year-old Edward Caraher, Jr. of Lake Villa.

Judge William Block of Lake County Circuit Court had sentenced Frank to concurrent terms of 75 years for murder and 30 years for kidnapping in the case.

Also convicted in the case were Edward Wieting, who received a 30 year sentence, and Clifford Johnson, who received a 35 year sentence. The three convicted men and Caraher all worked at International Minerals and Chemicals in Libertyville.

The three reportedly shot Caraher twice and later had chloroform administered to keep him quiet. The body was later dumped in a snowbank along a rural road in McHenry County, near Woodstock.

Caraher's car was later found in the parking lot at the Rustic Manor Restaurant, Gurnee.

The appellate court justices said that there was no precedent for reducing the sentence of one man who went through a full trial, to that of his companions who pleaded guilty and were not tried.

In the appeal, Frank said that the trial court erred in denying motions to suppress certain physical evidence; in not finding in favor of the defendant because the state failed to properly establish the place of the crime; in depriving the defendant due process of law; denying a mistrial motion and for not giving the jury an instruction of involuntary manslaughter instead of murder.

The appeal also raised the question as to Frank's sen-

tence being excessive in relation to those of Wieting and Johnson. In the original circuit court case, Judge Block had ruled that Frank's participation in the crime displayed sufficient wanton cruelty to warrant the extended sentence.

The appellate court ruling stated that, with regards to the lack of instruction for involuntary manslaughter, the conduct of the defendant "appears to have been callous and deliberate from beginning to end."

"The only possibility of recklessness entering into it was in the firing of the gun by the defendant and the evidence indicates that was done deliberately while the victim was lying on the ground."

CLC joins program to educate servicemen

The College of Lake County has joined a new national program designed to improve the opportunity of soldiers to earn college degrees.

The program, called the Servicemembers Opportunity Colleges Associate Degree, SOCAD, sets up networks linking major Army installations in the continental United States with colleges that offer associate degrees in 19 fields related to military occupational specialties.

The cooperating colleges have agreed to common curriculums in each of the occupation-education fields so that a soldier who is transferred from one installation to another after starting a course of study with a "home college" can continue work at other colleges and not lose credits already earned.

In Lake County the common curriculums are offered to soldiers in their off-duty hours, either at Fort Sheridan, at nearby CLC extension sites, or at the CLC Grayslake campus.

The CLC is offering

associate-degree programs in law enforcement services and management science to soldiers stationed at Fort Sheridan.

In addition to curriculums that are related directly to military occupational specialties, institutions in the SOCAD program offer a flexible curriculum in which soldiers can earn associate degrees or college credits in the arts, humanities, sciences and mathematics, social sciences, or in different occupational-education areas.

In addition to making it easier for soldiers to enroll in college courses and to transfer credits from one college to another, the SOCAD program helps ser-

vicemembers earn college credit for skills, experiences and knowledge they have already gained in their military career specialties.

Colleges in the SOCAD program also have agreed to recognize various non-traditional ways of learning that allow soldiers to earn credits toward an associate degree by taking tests or examinations, by completing certain correspondence, extension, or television courses, or by independent study.

For more information on CLC's participation on the SOCAD program, contact the CLC open campus at (312) 223-6601, Ext. 400.

When I think about it Drug or alcohol abuse, both dangerous problems

by GLORIA DAVIS

Much has been written, and not enough done, about the popular new, two-state roulette game being played by the Illinois teenagers going to and from homes in Illinois to the Wisconsin taverns, where they can drink legally at 18 years old.

With information just received from Lt. Dan Clebos of the Twin Lakes Police Dept., it appears that these teens are now making a concerted effort to strengthen their chances of other or self destruction by playing for double or nothing stakes.

Not only have the arrests of youthful drunken drivers doubled, tripled and in some southeastern Wisconsin and northern Illinois communities, quadrupled, since Illinois raised their drinking age to 21, accidents caused by this are increasing in the proportions, but incidents of driving while stoned on or in possession of drugs in some form or other, seem also to be in the upswing.

According to the Twin Lakes Police Dept., on a recent Friday, during a three hour period, 47 arrests for possession of drugs were made in the Twin Lakes area.

Out of these 47 arrests, 45 of those charged were from Illinois and two were Wisconsin residents.

Twin Lakes Police Chief Spencer says that dope and alcohol seem to go hand in hand in this area, with their use ratio being about the same.

In other words responsible citizens, who choose to drive on the highways in the state line area on weekend nights, when the mass bi-state transit to and from Wisconsin's bars takes place, have an equal chance of being hit by a "stoned" driver as well as by a "bombed" one.

One question this raises is whether Illinois youths are bringing the uncontrolled substances with them into Wisconsin or whether a lot of the purchases are made on the north side of the border.

Law enforcement agencies find it a little harder to estimate the drug content present in a "stoned" person's system since there is no breathalyzer that can quickly detect that content and the gauge that determines when a person is illegally driving under the influence of alcohol cannot necessarily detect when someone is operating a vehicle while on a "trip."

The legal difference is that the mere possession, as well as the injecting of, any drugs is illegal, no matter how small the quantity, while it is okay for those 18 years and older to use alcohol to a certain point.

It's time that residents of both states call for a heavier crackdown on both drug and alcohol abuses by law enforcement agencies.

It is also time that residents put pressure on the legislators to see that stricter laws concerning the punishment for such actions are put on the books.

Finally, it's time that the "buck stops" at the judicial bench and the courts of both Kenosha and Lake County stop spanking the wrists of these offenders, taking lessons from both McHenry and Walworth counties where such offenders receive tougher penalties, not so easily sluffed off.

If you, or a loved one, are destined to be killed by a driver "under the influence", does it really matter which of these deadly ones it is?
